SUBJECT: Responses to Questions Posed by Senator Helms

Following a request from SFRC Chairman Pell for Administration reaction to questions posed by Senator Helms' Memorandum on the INF Treaty, we have prepared responses drawing either from previously cleared guidance or, in the case of questions not previously addressed, from further interagency clearance. This response takes into account interagency reactions to previous drafts and is submitted to the NSC staff for coordination and final approval. Since we have had repeated requests for a response to Senator Helms, the Department hopes that this material can be provided to Senator Pell by Tuesday, 8 March.
